## Education

---

**V.S.B. Engineering College, Karur**  
*B.Tech in Information Technology*

2023 – 2027  
CGPA: 8.5

## Technical Skills

---

**Languages:** JavaScript, Python, C, SQL

**Frontend:** React, HTML, CSS

**Backend:** Node.js, Express, REST APIs

**Databases:** MongoDB, MySQL

**AI Integration:** OpenAI API, Prompt Engineering, Basic NLP

**Tools:** Git, GitHub, Postman, Linux

**Core CS:** Data Structures, OOP, DBMS, OS

## Projects

---

**Briefly – AI Meeting Assistant** [Demo](#)

2026

*AI + Full Stack Web Application*

*React, Node.js, Express, MongoDB, OpenAI API*

- Built an AI-powered assistant that converts raw meeting notes into structured summaries, decisions, and action items.
- Integrated OpenAI API to generate concise outputs, reducing manual review effort by approximately 60%.
- Implemented authentication and persistent meeting history storage.
- Designed a responsive dashboard delivering formatted summaries in under 5 seconds.

**Sift – Amazon Shopping Assistant** [Demo](#)

2026

*AI-Assisted Product Comparison Tool*

*React, Node.js, Express, REST APIs*

- Developed a web tool that compares Amazon products and highlights differences in price, ratings, and features.
- Structured product data to help users identify better-value options 40% faster.
- Implemented filtering and side-by-side comparison views for simplified decisions.
- Designed a clean UI summarizing insights instead of raw product descriptions.

## Experience

---

**Web Development & Technical Writing Intern**

Dec 2025 – Feb 2026

*TECHINS*

*Remote*

- Contributed to feature development and authored structured technical documentation.
- Converted requirements into clear implementation plans, improving execution clarity.
- Documented APIs and workflows to enhance maintainability and onboarding efficiency.

## Additional Information

---

**Learning:** Active on GitHub building AI-integrated full stack projects; practicing Data Structures and Algorithms; self-studying backend architecture and system design.

**Languages:** Tamil (Native), English (Professional Proficiency), Hindi (Bilingual)
